Navy-Grumman Groundwater Plume, Bethpage, NY: On 5/29, RA Lopez participated in Congressman Tom Suozzi's annual roundtable meeting on the Navy/Grumman groundwater plume. The meeting, held in Bethpage, was well-attended. Participants included Congressman Peter King, as well as representatives from NYSDEC, the Navy, Northrop-Grumman, several local water districts, the Town of Bethpage, and the Town of Oyster Bay. At the meeting, the Navy, Northrop Grumman and NYSDEC separately summarized current work being done and obstacle they face.
